To my personal friends, my business friends, and my community friends;

We are headed for the future.

We're gonna build a ski hill, and we need your help.

The success of the ski hill, its growth, and its opportunity to become a year-round operation depends on community support.

The success of the ski hill will help support the eastern Plumas economy, which, in turn, supports the property values, thus helping the community to prosper and flourish.

I am raising money, thousands of dollars to install the bases and towers for the chair lift.

In order to raise these funds, I am creating "Build the Ski Hill," a fun-filled evening concert of music and entertainment coming to the Graeagle Barn on Memorial Day Weekend. But I need help. I need *your* financial support to underwrite the concert so all the funds raised by ticket sales will go directly to installation of the bases for the ski hill chair lift.

I ask you to join with me to help support our community. As an enduring "Thank You," your name will be placed on a "Build the Ski Hill" plaque placed in the lodge at the base of the ski hill, memorializing your special efforts to support our community.

I thank you for your time, attention, and generous contribution.

With gratitude,

Chris David
